

Hotel reservation

Dear partners and guests of the Finance Symposium,

We have also commissioned a booking agency to reserve the hotel contingents for you for the upcoming Finance Symposium. As every year, there will be no additional costs for you when using the offer. Through the cooperation with our new agency „tauleo events & incentives“ we can realize the following improvements for you:

- ▲ For the change and cancellation of bookings tauleo will not charge any handling fee (except for cancellation fees of the hotels concerned in case of late cancellation)
- ▲ Most hotels now offer the option of booking rooms without breakfast
- ▲ In the booking tool of tauleo you can immediately see how many rooms of which category are still available - especially for group requests this is very helpful
- ▲ From now on you can also start group requests via the booking tool
- ▲ In general, the tool from tauleo offers more information and photos about the hotels on offer

You can make room reservations at this link: <https://www.allotmentpro.de/?bcode=PYZH2HYM>

If you are asked for a booking code, it is as follows: „PYZH2HYM“

If you have any questions, please do not hesitate to contact Sarah Weiß and Hannah Luna Rückmann from tauleo at any time under the following contact details:
