

# Online Treasury Library

For the sake of the environment, we have now decided to map the treasury library purely virtually. This offers a number of advantages for you:

- ▲ We open the virtual treasury library already one month before the congress
- ▲ There will be filtering options so that participants can make themselves available more quickly.
- ▲ You can provide us with videos, whitepapers, sweepstakes, flyers, brochures, etc.
- ▲ ATTENTION: Per sponsor and partner we limit it to max. 6 documents

From the beginning of March you will have the possibility to upload your content in our exhibitor portal.

- ▲ Image 480x270 px
- ▲ Headline (max. 30 characters incl. spaces)
- ▲ Subheadline (max. 30 characters incl. spaces)
- ▲ Link or PDF of the brochure, flyer, etc.
